WHAT IS THE MUSICAL MOMENTS TRUST?

The Musical Moments Trust scholarship is offered to pre-school and primary school aged children living with cancer, to fund positive musical experiences for them as they move through their treatment and beyond. Past recipients have enjoyed private and group music lessons, home visits from a music therapist, musical instruments and the chance to create and record a song with a musician.

WHO CAN APPLY?

To be eligible for the Musical Moments Trust Scholarship, your child must:

- Be a Challenge member diagnosed with cancer or a life-threatening blood disorder
- Be aged between 0 and 12 years (inclusive)
- Not have previously received a Musical Moments Trust Scholarship.

GUIDELINES FOR PRESENTATION

- **Complete every section thoroughly:** The more detail you can share, the better we can understand your child's circumstances, what they're working towards, and how this scholarship could genuinely support them.
- **Answer every question carefully:** Each question is included for a reason, and together they give a fuller picture than any single response can. Taking a little extra time to respond carefully ensures we don't miss important context.
- **Make sure your application is easy to read:** Clear, readable writing (or typed responses) means your story and your child's needs come through without interruption. If we can read your application easily, we can focus on what matters: understanding your family's situation and the support that will make the biggest difference.
